

CEE Turkish Desk

Your gateway to dedicated legal services in CEE, other European countries and beyond

Our CEE Turkish Desk bridges the gap between Türkiye and Central and Eastern Europe (CEE). We are adept in Turkish business and can provide invaluable support to clients looking to do business across borders.

Our Turkish-speaking lawyers are fluent in the language and well-versed in the cultural nuances between Türkiye and CEE, other European countries and beyond.

This allows us to provide clients with expert legal guidance and support that's tailored to their specific needs.
